Description

Bryan Gaiser founded Gaiser Financial Group in 2009. He has been assisting pre-retirees and retirees in North Carolina since early 2001. He currently hosts Better Living with Bryan Gaiser on 94.5 WPTI, the Piedmont's Talk Station, Saturday mornings from 8am-9am. Through his radio broadcasts, which discuss safe retirement money solutions, he has taught many people how to protect and preserve their assets, increase their retirement income, and reduce their taxes.

As a Registered Investment Advisor, Mr. Gaiser is licensed (Series 65) to conduct securities analysis and qualified to make investment recommendations. Mr. Gaiser is also a licensed Insurance Agent and Real Estate Broker. His real estate career began in January of 1995 in Virginia Beach, Virginia, where he worked for a large real estate auction firm, Fox and Associates. He gained vast experience in settling estates, which included many different types of real estate and high-end personal property including: apartment complexes, houses, shopping centers, professional offices, raw land, resort property, retail establishments, and warehouses. Settling an enormous number of estates gave him the experience to position himself as an expert in protecting and preserving assets folks have worked hard for years to accumulate. In early 2001 he turned his focus to helping pre-retirees and retirees move their retirement funds to safe positions and create income streams that keep them comfortable throughout their retired years.
