Tom Zickau wants to live in a world where people feel secure... get the lifestyle they deserve and are able to wake up every day worry-free.

Tom is considered one of the country's top advisors on retirement due to his expertise on issues almost all other advisors forget to address. Tom's focus on these matters have saved Americans untold thousands of dollars and helped them avoid surprises that can shatter a comfortable retirement.

You will discover as an experienced, full-service/comprehensive financial planner that we are one of only a handful of planners in the country with access to one of the most sought after retirement planning reports available today...the Full Checklist report.

The Full Checklist report (www.fullchecklist.org) is designed to help you uncover legal, governmental and personal savings, benefits and documents that are available to you while helping ensure that all the pieces of your personal plan are there and working properly when you need/want them.

During his 20 year tenure, his uncompromising integrity and no excuses attitude has made him both friends and enemies. Friends with those who believe the simple truth that the client comes first... and enemies with those in the financial industry that instead put themselves first.

When Tom isn't out slaying dragons, he resides in Columbus, Ohio with his wife and two daughters where he enjoys the grand adventure of raising twins, spending time with family & friends, volunteer work with children and animals, exploring the oceans as a diver and anything outdoors.
