Dana Dunkelberger is a second-generation retirement specialist and the founder of Reliance Retirement Services. With over nine years of industry experience, Dana prides himself on helping his clients achieve their financial goals.

Prior to founding Reliance, Dana spent three years at a major financial advisory firm as the Vice President of Agent Development. Here, he gained a wealth of knowledge that helped him form the company he runs today.

Before entering the financial field, Dana made a living as a professional water-skier along side his younger brother, Tyler. As a water-skier, Dana was afforded the opportunity to travel to many places all over the world.

Today, Dana lives in Boerne, Texas with his beautiful wife Shayne and his two young daughters, Hayden and Reese (his favorite people in the world). In his free time, Dana enjoys the outdoors and spending time on the lake with his family.
